Product Specification Sheet

Retractable Stow-N-Go Laser Ultra-Portable Mouse

Part #: AMU22EU

Product Description:

The Targus Retractable Stow-N-Go Laser Ultra-Portable Mouse is perfect for people on the move. The unique Stow-N-Go cable attaches to the bottom of the mouse providing cable management – so no more tangled cables! In addition advanced laser technology provides 20 x better tracking sensitivity than a typical optical mouse.

The mouse also offers 3 selectable resolutions enabling the user to choose between 800, 1200 and 1600 dpi resolution providing different levels of precision and cursor speed at the touch of a button. Plug & Play capability.
